Subject: 40 CFR Part 192

Hello Albert,

I hope you're doing well! First off I wanted to thank you for meeting with myself and the folks from Pebble Mine a few weeks ago. We really appreciated you and the Administrator's time.

I also wanted to ask if you know who would be handling 40 CFR Part 192 associated with uranium and thorium ore processing for the EPA? I appreciate any help you could give me. Thanks a lot.
